Equipment condition:

Work Performed:

Friday 16th

- *Called in to train and support the afternoon shift in maintenance*
- *Went through with maintenance staff on the Platformer and Trave 590*
- *We went through Platformer tool change and operation on the HMI screen*
- *Maintenance asked some question for problem solving as we went through them.*
- *We also went through something on the Trave 590 and some question were asked.*

Note this was more to do with explaining some of the staff concerns but we will need to arrange for a proper training section.
