GENERAL SERVICE REPORT

Customer:	Dardanup Butchering Company.	**Date:**	29/07/2025
Site Address:		**Site Contact:**	Steve/Daniel
		Phone:	
Customer PO #:		**Internal Job #:**	SR5614
Subject: Dharfresh machine not sealing			

Equipment Type:	**Serial Number:**	**Customer Line # (if applicable):**
Trave 340 Dharfresh		Line 1

Equipment condition:

Good

Work Performed:

I was requested by Daniel to attend site as the Dharfresh machine is sealing very bad.

Arrived onsite and investigate. Found the blue spring adjustment on the side of the tool unscrewed. This has leads to pickup problems as the tool does not return to its top position properly. Retentioned and fine tuned the recipe for the new film that was introduced. I managed to get the machine a bit faster. Followed production for a while before I left.

Later Daniel reported that they still experience a few rejects. Attended the next morning to fine tune.
