**Work Performed:**

**23.06.2025**

Johan and I stayed behind. The purpose of this job was to relocate the Mondini spares to a new shelf.

- A new area was identified in the stores
- The area was cleared by Baiada Staff
- The majority of the Mondini spares were moved to the new space
- The Mondini stock were counted and assessed
- More spares will have to be purchased as there is a need for critical spares
- Will send through a quote for this.
- The existing space will be kept as we can place the large items on these racks.
- The new area makes it easier to identify the stock for a breakdown and normal maintenance
